

Muhammad Abdullah

Full-Stack Web Developer · Shopify Specialist · CS Undergraduate

Multan, Pakistan · +92 318 447 7041 · letsmailabdullahcoder@gmail.com · github.com/lets-abdullah ·

SUMMARY

Motivated Computer Science undergraduate with 1+ year of practical experience building scalable web applications and custom eCommerce solutions. Proficient in JavaScript, React, Node.js, and modern web technologies. Passionate about writing clean, efficient code and creating user-centric digital products. Seeking a challenging internship where I can contribute to impactful projects while accelerating my technical growth.

EDUCATION

Bachelor of Science in Computer Science Sep 2024 – Jun 2028 (Expected)

Emerson University, Multan, Pakistan

- Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Computer Networks
- Active participant in university-level coding competitions and tech events

TECHNICAL SKILLS

Languages: JavaScript (ES6+), Python, HTML5, CSS3

Frameworks/Libs: React.js, Node.js, Express.js, Liquid (Shopify)

Databases: MongoDB, MySQL (basic)

Tools & Platforms: Git, GitHub, VS Code, Shopify CLI, Antigravity, Vercel, Netlify

Core Concepts: REST APIs, Responsive Design, Mobile-First Development, Performance Optimization, Version Control

HENNGE FRONTEND ENGINEERING CHALLENGE · React · TypeScript · REST API

Completed as part of application to HENNGE K.K., Japan · May 2026

- Built a fully functional frontend application meeting all strict technical specifications
- Implemented **password validation logic** with real-time feedback and comprehensive edge-case handling
- Integrated REST APIs with proper async handling, error boundaries, and loading states
- Applied **WCAG accessibility improvements** including ARIA labels, keyboard navigation, and focus management
- Structured error handling to gracefully manage network failures and invalid inputs
- Treated the challenge as a learning opportunity — iterated on design decisions and reflected on trade-offs

EXPERIENCE

Junior Web Developer | Self-Employed (Freelance) Jan 2026 – Present

Remote · Pakistan

- Design, develop, and deploy custom Shopify stores, WordPress sites, and high-converting landing pages for international clients
- Manage the full project lifecycle — from requirements gathering and wireframing to deployment and post-launch maintenance
- Implement mobile-first, performance-optimized frontend solutions achieving 90+ Lighthouse scores across client projects

- Maintain clear client communication, on-time delivery, and iterative feedback cycles, resulting in 100% client satisfaction

Intern Developer (Self-Directed)

Remote · Personal Projects

- Completed 10+ frontend projects to build strong command of HTML5, CSS3 (Flexbox, Grid), and JavaScript
- Translated Figma designs into pixel-perfect, cross-browser-compatible responsive websites
- Studied best practices in web accessibility (WCAG), SEO, and Core Web Vitals optimization
- Completed a structured Web Development Bootcamp (2023) covering full-stack fundamentals

PROJECTS

- **Fitzone Gym — Fitness Knowledge Platform** <https://github.com/lets-abdullah/FitZone-Gym-Knowledge-Hub>

Built a modern fitness knowledge hub using HTML, CSS, and JavaScript with responsive design, intuitive navigation, and optimized performance.

- **Royal Wedding Invitation — Event Website** <https://github.com/lets-abdullah/Royal-Wedding>

Developed an elegant wedding invitation website featuring a responsive layout, polished visuals, and a seamless user experience across devices.

ACHIEVEMENTS & ACTIVITIES

- Completed accredited Web Development Bootcamp (2023) covering HTML, CSS, JavaScript, and backend fundamentals
- Participated in university-level programming competition, demonstrating problem-solving under time constraints
- Independently published 10+ open-source projects on GitHub, actively maintained with documentation
- Currently learning Data Structures & Algorithms (LeetCode) to strengthen problem-solving for technical interviews

LANGUAGES

English — Intermediate (B1–B2) · **Urdu** — Native / Fluent
